Organised by:

R V INSTITUTE OF TECHNOLOGY

Approved by AICTE & PCI New Delhi, Affiliated to Dr. APJAKTU (Formerly UPTU) & BTE, Lucknow

ABOUT RVIT

The Institute, promoted by Sudeshna Educational Charitable Society, is located in Bijnor on Bijnor-Moradabad Road, about 9 KM from Bijnor City. The institute has approval from AICTE, PCI, New Delhi, and is affiliated to Dr. A. P. J. Abdul Kalam Technical University (Formerly UPTU) & Board of Technical Education, Lucknow. The Institute has a sprawling campus with lush-green outfield, ample space for recreational & co-curricular activities, coupled with brilliant architecture, making the learning process more exciting. The state-of-the-art infrastructure facilities, well-equipped labs, and first-rate learning ambience are the hallmarks of this institute.

Vision

To transform young minds into technocrats globally competitive, highly skilled with a positive mindset, who live with human values in full respect of co-existence.

Mission

The mission is to impart quality knowledge and educate its students not only in the domain of technology but also in human values so that they can develop into sound technocrats and better human beings ready to progress in life. We are dedicated to providing such an environment that combines rigorous academic studies and the excitement of exploring new innovative ideas with the support of prominent faculty and highly qualified guest lecturers from different fields of expertise. We provide value education to our students to help them develop the ability and passion to work wisely, creatively, and effectively.

ABOUT THE CONFERENCE

The **Conference on Advance Research in Science, Engineering and Technology (CARSET-2026)** is an interdisciplinary platform that brings together researchers, academicians, scientists, engineers, industry professionals, and students from around the world to exchange innovative ideas, present original research, and discuss the latest advancements in science, engineering, and technology. **Sponsored by Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow**, the conference aims to promote high-quality research, foster academic excellence, and strengthen collaboration between academia, industry, and research organizations. AKTU's sponsorship reflects its commitment to encouraging innovation, research, and technological development that address contemporary challenges and contribute to national and global progress.

CARSET-2026 provides an excellent opportunity for participants to share their research findings, gain insights from renowned experts, and establish professional networks through keynote lectures, technical paper presentations, panel discussions, workshops, and interactive sessions. The conference encourages interdisciplinary collaboration and supports the exchange of knowledge that drives scientific discovery and technological advancement.

The organizing committee warmly invites researchers, faculty members, industry practitioners, research scholars, and students to participate in this prestigious conference and contribute to advancing science, engineering, and technology for the betterment of society.

CALL FOR PAPERS

CARSET-2026 invites researchers, academicians, scientists, industry professionals, research scholars, and students to submit original, unpublished, and high-quality research papers that contribute to advancements in science, engineering, and technology. Manuscripts should be prepared in **Microsoft Word (.doc/.docx)** format using **Times New Roman** font, with a **14-point bold title** and **12-point body text, 1.5 line spacing, 1-inch margins** on all sides, and should not exceed 4 pages. At least one author of each accepted paper must register for the conference and present the paper during the technical sessions. All papers must be submitted at rvitcarset2026@gmail.com.

WHY ATTEND?

Present Research

Showcase original research and innovative ideas.

Expert Insights

Gain knowledge through keynote lectures and technical sessions.

Collaboration

Connect with academia, industry and research organizations.

Build Networks

Interact with researchers, professionals and students.

Who Can Submit?

Researchers

Academicians

Scientists

Industry Professionals

Research Scholars & Students

RESEARCH AREAS

SCIENCE | ENGINEERING | TECHNOLOGY
